

Our Camps & Partner Programs

CAMP MODELS FOR EVERY *Journey*

From universally accessible high ropes courses and adaptive winter sports to traditional camp activities like swimming, boating, and campfires, SeriousFun helps children living with serious illnesses and their families find belonging, build resilience, reimagine what's possible, and have fun — always free of charge.

GLOBAL PARTNER *Programs*

Working alongside trusted community organizations, we bring the spirit of camp to children living with HIV, cancer, and other serious illnesses, setting the gold standard for inclusive, locally-led experiences in Africa, Asia, and the Caribbean.

CAMPS AT-A-*Glance*

ü Residential Summer

A traditional overnight camp experience in a medically safe and supportive environment.

ü Family & Sibling

Our Family Weekends and Siblings Camps give families and siblings of children with serious illnesses a chance to reconnect, play, and heal together.

ü Bereavement

Our Bereavement Programs help families honor their loss and find connection as they heal.

ü Adaptive Winter Sports

Adaptive Winter Programs offer every child the joy of the slopes and families a weekend of adventure and rest.

ü Hospital & Outreach

Our Outreach Programs bring the joy of camp to hospitals, giving kids agency and connection through playful, adaptive activities.

ü Young Adult

Safe and supportive spaces to connect, share experiences, and build community for former campers navigating life beyond childhood.
